

**T**re quarti di secolo sono trascorsi dal giorno in cui sulle rive dell'Adria si gettarono le basi delle "Assicurazioni Generali..

**M**odesti e difficili i principi, ma ardite le idee, tenaci i propositi, il nostro istituto crebbe rigoglioso come robusta quercia, che oggi stende i suoi rami sempre verdeggianti su vasta parte della terra.

**Q**uesto mirabile sviluppo, frutto del coraggioso spirito d'iniziativa e del senno di coloro che successivamente diressero le sorti della Compagnia, riempie oggi di legittimo compiacimento e di nobile orgoglio noi tutti che ci sentiam parte vivente del grande organismo, e lontani o vicini, i nostri cuori palpitano come un solo cuore nell'esultanza di questo giorno solenne.

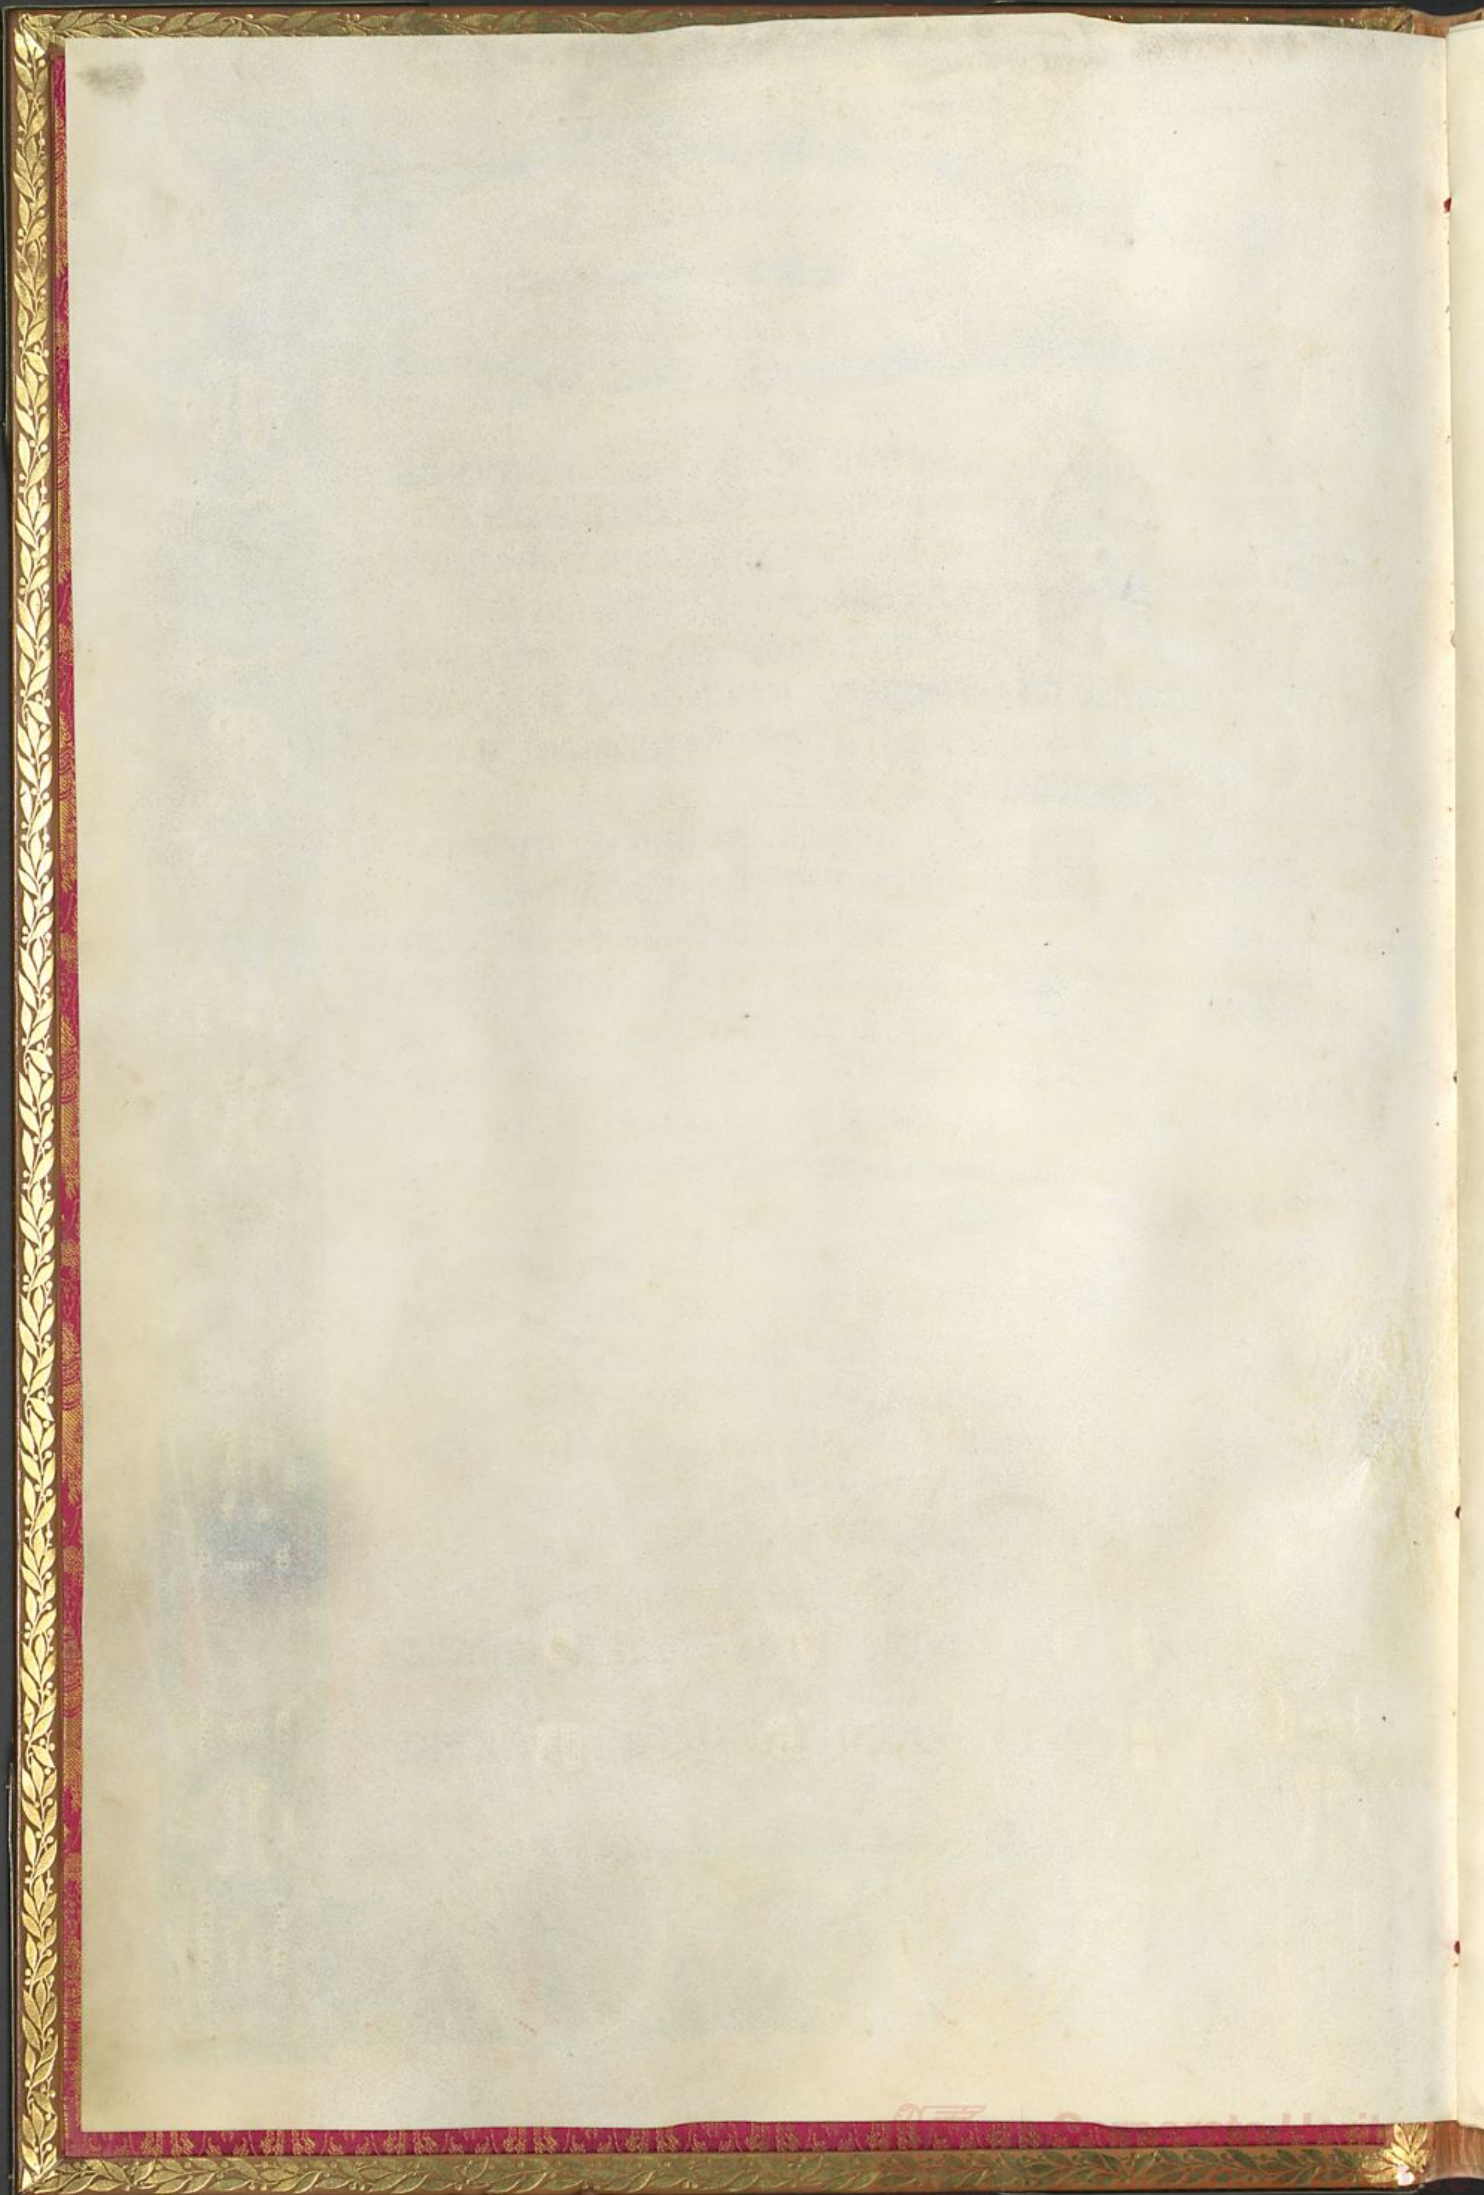

**D**a ogni punto della terra dove la nostra Compagnia diffonde la sua opera benefica, noi tutti suoi devoti collaboratori alziamo fervido il voto augurale:

**P**ossano le "Assicurazioni Generali.. prosperare conservando perennemente feconda e fiorente giovinezza!

Nel Marzo MCMVII.
